FOR IMMEDIATE RELEASE:

**SUMMIT DESIGN + BUILD, LLC. COMPLETES INDIRA SALON & SPA
IN CHICAGO, ILLINOIS**

Adam Miller, president of Summit Design + Build, LLC, is pleased to announce the firm's recent completion of INDIRA Salon & Spa, a 2,600 square foot Aveda concept salon, located at 3435 N. Southport in Chicago's Lakeview/Southport Corridor, known for its unique and independent boutiques.

The Southport location marks the fourth salon to be opened by owner, Michael Nass, whose other locations include Greenbay and Appleton, WI and Park Ridge, IL. This project required the complete gut and rehab of an old laundry mat into a new state-of-the-art salon and spa which features high end finishes throughout, numerous treatment rooms, retail area and full styling hair center. The demolition and build out of the space was completed in less than 12 weeks. Summit Design + Build's David Brown, project manager, was responsible for the on-site construction of INDIRA Salon & Spa. ArchIdeas provided architectural services for the project.

Summit Design + Build, LLC. provides full-service design-build construction services to the industrial, commercial and residential markets. The firm focuses on office, retail, health care, manufacturing and warehouse facilities, as well as, condominiums and loft conversions.
