FOR IMMEDIATE RELEASE:

**SUMMIT DESIGN + BUILD, LLC.
COMPLETES BUILD-OUT FOR
STERLING BAY COMPANIES IN CHICAGO, ILLINOIS**

Adam Miller, president of Summit Design + Build, LLC, is pleased to announce the firm's recent completion of a 4,000 square foot build-out for Sterling Bay Companies, a Chicago-based real estate investment and development company, at 626 W. Jackson Boulevard in Chicago's West Loop. Sterling Bay Companies is the owner of 626 W. Jackson which was the former headquarters of the Chicago Housing Authority and which was recently converted into a multi-tenant class A loft building that is currently over 85% leased or sold.

According to Miller, the new professional services office suite features private offices, open offices, conference rooms, an open meeting room, break room and reception area. The finishes complement the loft style with extensive use of glass walls, ceramic tile, modern light fixtures and open ceilings. The demolition and build out of the space was completed in less than 10 weeks.

(more)

Summit Design + Build's Dave Mooney, senior project manager, Pat J. Lynn, project engineer, and Rodger Meyer, superintendent, were responsible for the on-site construction of Sterling Bay Companies. Fitzgerald Earles Architects and Associates provided architectural services for the project.
